Refine Your Skills at Home before offering the service to your clients! The Hairskeen Practice Program offers you the chance to practice with low-cost default systems. Build confidence and expertise, preparing to deliver exceptional service to real clients.

Program Details:

- Cost: \$200
- Systems Provided: 3 default systems (**non-Hairskeen**). No choice in color, base, type of hair.
- Available for up to 12 months after your initial Hairskeen Two-Day Class.
- This is a **one-time** opportunity for all new Hairskeen Certified professionals or refreshers.

How to Enroll:

- Contact our Hairskeen Support Team to express your interest in the Practice Program.
- Sign this form and submit payment of \$200.

Important Notes:

Systems provided in this program are for practice purposes only and should not be used on clients.

The program is available for up to 12 months after your initial Hairskeen Two-Day Class. Take advantage of this opportunity to enhance your skills within the designated timeframe.

This program is customizable to suit your needs. You can opt for two practice systems for \$150 or one practice system for \$80.

This offer is valid for one-time use, regardless of the number of practice systems you choose to receive.

At Hairskeen, we're committed to your success. Join our Practice Program today and embark on a journey of growth, learning, and mastery in the art of hair replacement.
